Obtaining GTAs

<http://155.217.58.58/atdls.htm>

GTA Library

Although this site says GTAs can be ordered on-line, this is incorrect. GTAs can only be downloaded and/or printed from digital files contained on this site. Attempting to order on-line will only delay requests, which **must be made** at the Fort Hood VI Service Center, Bldg. 230. Come by the Ft. Hood VI Service Center and see what GTAs are still available. GTAs out of print can only be obtained by downloading and printing from this site. Some non-paper GTAs (plastic devices, oversized charts, games, etc.) are loan items and may require that the requestor be on a signature card and require form FHT FORM 25-X22.

Document Formats

The Library uses Hypertext Markup Language (HTML) as its primary document format for on-line viewing. HTML can be viewed by all WWW browser software. It requires no special configuration or installation of special viewers or "plug-in" so users are encouraged to keep their WWW browsers current.

Obtaining DoD Training Videos and Interactive Multimedia Instruction

The Defense Automated Visual Information System/Defense Instructional Technology Information System (DAVIS/DITIS) site is located at <http://afishp6.afis.osd.mil/dodimagery/davis>.

DO NOT print out requests for videotapes and bring it to this TSC for service. Send the request directly to Joint Visual Information Services Distribution Activity (JVISDA) and receive Video Media by mail from them.
